To: Judy O'Meara, CES Principal

According to the Board of Education Policy on weeding (6163.1 e&f), Colchester Elementary School would like to remove the following outdated teaching materials that no longer support new science and social studies standards and/or Science of Reading research:

- Outdated and/or damaged guided reading texts and big books for classroom instruction and small group interventions
- Grade 2 social studies textbooks copyright date 2003
- Grade 2 Full Option Science System (FOSS) kits copyright 2002

Some texts are beyond repair, damaged, and/or moldy will be thrown out. I am in search of non-profit literacy charities to donate some gently used texts for any remaining materials.

Thank you,

Erin L. Hermann
